MAXDOCK®

The Only Dock Door You Will Ever Buy!

BENEFITS

- SAFE springless operation reduces injury associated with torsion springs
- Built-in inertia brake prevents door from free falling
- Impactable design reduces maintenance, repair costs, and decreases downtime
- Tight sealing properties eliminates air and light infiltration which reduces energy costs
- Limited Lifetime Warranty on our reinforced 1/4" thick rubber curtain

FEATURES

- Powder coated breakaway bottom bar in safety yellow
- Simple springless engineering with no hinges, cables or chains
- Flexible curtain releases from guides upon accidental impact with breakaway system
- Direct drive operator with optional emergency manual hand chain operation
- 1 million cycle standard rating on drive system
